

Activity 3
Read or listen to
the story.

You are going to
interview
the toys
in the
museum.

In order to interview the toys, you need to think of some questions to ask them. Each question must end with a question mark.

You might ask...

Why do you wait for night time to come awake?

Why are you in the museum?

Where do you come from? Who used to own you?

*Question words... Why ... Who... When... Where... How... Which
What...How often...*
