

THE HOUSE ON MAPLE STREET

It was a perfect lift-off.

We are going to be writing about this picture this week. Today, here is what to do:

1. Watch some parts of the writing video: 5:20-6:40 and 16:23-end

2. Write your questions below. I will use some of these when I interview those three people. I have written some ideas in the box below about things you may want to find out.

3. Submit a copy of your work using the 'Submit your writing here' button. Remember your name.

You may want to find out the following:

- when it happened
- who it happened
- why it may have happened
- whether anyone was in the house
- were the emergency services called
