

# ACTIVITY 5: WHO DUNNIT?

Jot down anything that the witnesses say about the culprit, NOT the witness themselves. For example: male, female, height, hair colour, any features like glasses. Then consult the list of suspects on the next page and see if you can work out 'Who Dunnit'.

## Case 1: The Computer Theft

### Witness No. 1:

Mr Tommy Sinton, Age 35.

*Returning to his house after work, Mr Sinton discovers that there has been a break in and his computer has been stolen.*

### Sherlock Holmes:

Dr Watson, have any clues been found?

### Dr Watson:

Mr Sinton found an empty spectacle case lying on the ground underneath the broken window at the rear of the house.

### Sherlock Holmes:

Did any of the neighbours notice anyone acting suspiciously?

### Dr Watson:

A neighbour reported that a young black-haired woman had been loitering near the house that afternoon.

## Case 2: The Handbag Snatcher

### Witness No. 1:

Mrs Magill (Housewife), Age 51, Height 1.70m

### Sherlock Holmes:

How was your handbag stolen?

### Mrs Magill:

I was waiting for a bus when a fair-haired man with an eye patch grabbed my handbag. I struggled with him but he was far too strong for me. He ran off into a back street.

### Dr Watson:

Did you notice anything else about him?

### Mrs Magill:

Yes, he was wearing a striped tie.
