

Kathina Day

On Kathina Day, the lay people present the monks with gifts including material for a new robe. The monk below has made this material into a new robe for the celebration.

- Choose which tradition your monk belongs to and colour the robe.
- Cut out the figure and the robe and fit the robe using the fold-over tabs.

- 
- Draw two gifts your monk is allowed to accept.
 - Make new robes for the monk using coloured paper or fabric.
