

All ladies wore dresses that reached the floor. They would never show their legs!

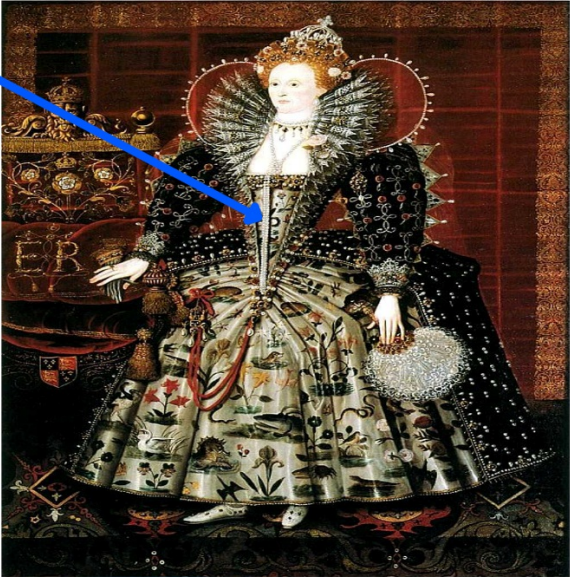

She wore a ruff. This was to show that she was royalty and also extremely rich.

**Queen Elizabeth
wore a corset to
make her body look
thinner.**

Fun fact
Elizabeth 1st had Gorgeous frizzy hair but... it was wig! Elizabeth's hair started to fall out when she young so she wore a wig in her natural hair colour.

Fun fact
Queen Elizabeth 1st painted her face and hands white using a mixture of lead and vinegar. She did this to hide scars on her body left from smallpox.

Her teeth were...

Black!

She ate that much sugar that her teeth turned black!
