

Wednesday Worksheet

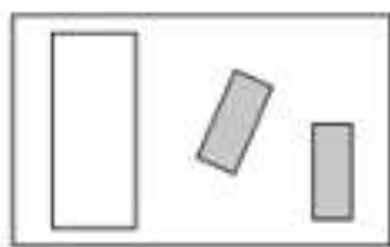

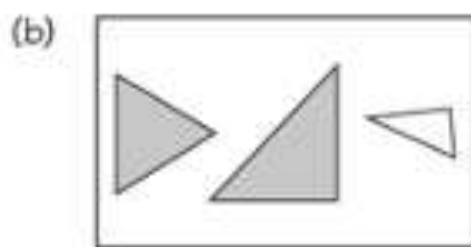

Remember, the video for this lesson will explain how to answer each question. You do NOT have to print these sheets. You can just follow the video and answer the questions on paper or in your Hillstone Virtual School workbook if you have it.

Grouping Shapes

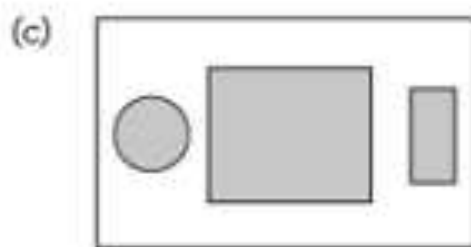

1 Compare using shape or colour.

The shapes are grouped by **colour**.

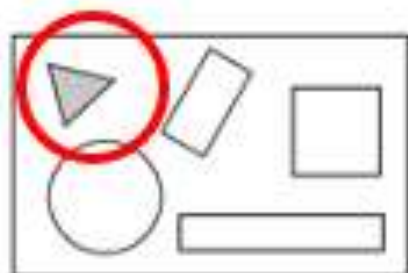

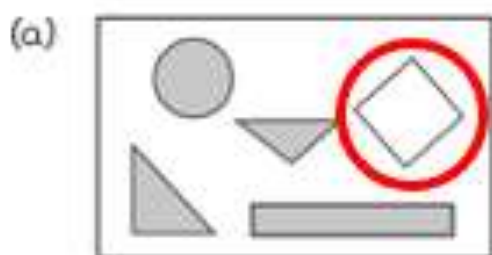

The shapes are grouped by **shape**.

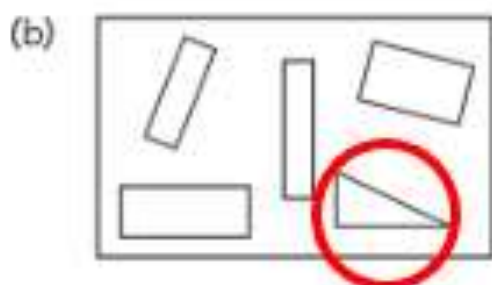

The shapes are grouped by **colour**.

- 2 Circle the shape that does not belong in each group.
Compare using shape or colour.
