

Going Bananas! (Subtraction)

Solve the number problems on the monkeys. Then join each monkey up to its banana. Use the number line to help you – remember to count back from the first number in the number sentence.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
