

Floating like a dream,  
gliding like the wind,  
falling like a star,  
as fast as time,  
surprises its prey like a  
ghost

sneaky like a spy!

Swimming, Swishing, slowly

King of the oceans,  
A knight of the sea

Peaceful but proud like the lion of the sea.  
Golden shell and knowing eyes, larger than I look.  
Fins like sails that glide me through the blue.  
Living in the water but I breathe air
