

Giving Change

Our main focus is to give change using 1p coins.

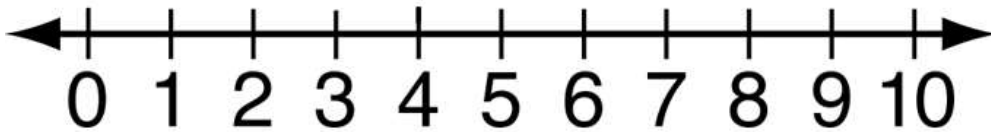

However, your child can use different coins to give the answer.

For example: Using a 5p coin rather than five 1p coins.

I paid for each item using 10p. How much change will I get?

1. Michael had £5. He spent £3. How much change did he have left?

2. Rosie had a 10p coin. She spent 3p. How much change did she get?
