

Thursday 4th March

Discuss the way that descriptive language and small details are used to build an impression of an unfamiliar place.

1. What do you notice about these bears?
2. Why do you think the teddy is the only one without the stick legs?
3. What is the impact of the shadows around the bears and how do they give emphasis to the polar bears attitude to brown bear?
4. How do you feel towards brown bear in the line up and how does this contrast with your attitude towards him in handcuffs on the next page?
