

Saggal

A black and white line drawing of a large, stylized face. The face is composed of various intricate patterns, including wavy lines, geometric shapes, and floral motifs. The name "Ben" is written across the center of the face in a large, bold, outlined font. The background is filled with more complex patterns, including a large circular mandala-like design in the upper right and a starburst pattern in the lower left. The overall style is reminiscent of a coloring page or a graphic design template.
