

## Learning about words

Are you sure you know the meanings of these words?

plucked      whisk      trunk      continent

swatting      author

You will find them either in the story about the Elephant's Child or in the questions on the story.

Write one of the words from the list for each of these clues:

- a A large mass of land.
- b This word could mean part of a tree, a long nose, a large case or an important road.
- c This word uses an **a** with the sound of an **o**.
- d You might call him a writer.
