

# Standard Units to Measure

**IMPORTANT:** Please watch the video for today **before** completing this worksheet.

Find the objects below. Measure them in cm.

Decide if it is longer or shorter than a ruler

Object	cm	Longer/shorter than a ruler
 A colorful workbook with a red border and a blue triangle logo at the top. The text 'Virtual School Workbook' is visible.		
 A black athletic sneaker with two velcro straps across the top.		
 A clear plastic water bottle with a yellow cap and a white label.		
 A yellow pencil with a black eraser and a black band.		
 A silver metal dining fork with four tines.
