

The Lion's Tour of London.

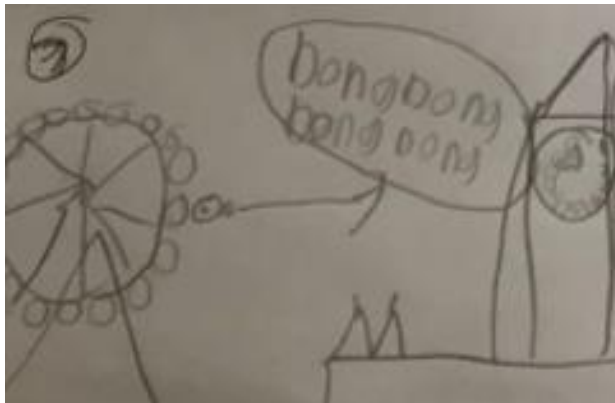

1. Would you believe it! Two small children climbed on my back.

2. So, I took them to St Paul's Cathedral where they were amazed by the beautiful building.

3. Then we flew through the air to Tower Bridge. It began to open!

4. Next, I raced with them to the London Eye. I felt sick so high up.

5. After that we went to watch the changing of the guard at Buckingham Palace. There might have been someone at the window, waving.

6. Finally, I sat very still and pretended to be an ordinary statue. No-one would believe I had come alive.
