

## Worksheet 5

### Drawing Two-Dimensional Shapes

1 Draw the following shapes in the grid below.

- (a) A square with 3 cm sides. Label it **W**.
- (b) A square that is larger than **W**. Label it **X**.
- (c) A rectangle with 2 cm and 4 cm sides. Label it **Y**.
- (d) A rectangle with 6 cm and 3 cm sides. Label it **Z**.

2 Draw a square with 6 cm sides.

3 Draw a rectangle with horizontal sides of 9 cm and vertical sides of 5 cm.
