

	Something I am left wondering about...	A character I am interested in or have a strong reaction to...	A description or detail that helped me to imagine I was there...	Something funny that entertained me...	Something dramatic that excited or shocked me...	A hint that something is going to happen that I want to read more about...
<p>Example 1: Gordon Edgley's sudden death came as a shock to everyone – not least himself <i>Page 11</i></p>	<p>This makes me question:</p> <ul style="list-style-type: none"> - Who killed him? - How did he die? 	<p>Gordon: Why wasn't he well-liked? Why did someone want him dead?</p>	<p>He was writing in his study when he died.</p>	<p>This is quite funny: you can't be shocked if you're dead.</p>	<p>His death being so sudden and so soon into the book.</p>	<p>I think the book will solve the mystery of who killed him and I want to know more.</p>
<p>Example 2 It was at Gordon's funeral, however, that Stephanie Edgley first caught sight of the gentleman in the tan overcoat. <i>Page 12</i></p>						
<p>Example 3 And then, like he knew he was being observed, he turned and walked back through the headstones, and disappeared from sight. <i>Page 12</i></p>						
<p>Example 4 Gordon wasn't a man who inspired, or even demonstrated, any great affection, so no one could predict who would inherit the substantial fortune.</p>
