

# Spanish Animals!

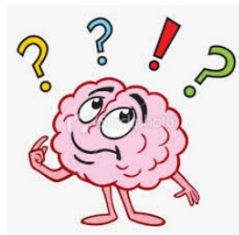

**Before you become detectives and help solve the missing animal mystery let's recap and go through some Spanish animal names you will need to know!**

**Before the animal name in Spanish is either El or la.**

**The dog = El perro**

**The snake = la serpiente**

**El** is the singular, masculine word, meaning "the," in **Spanish** and is used to define masculine nouns, while **la** is the feminine version.

El perro

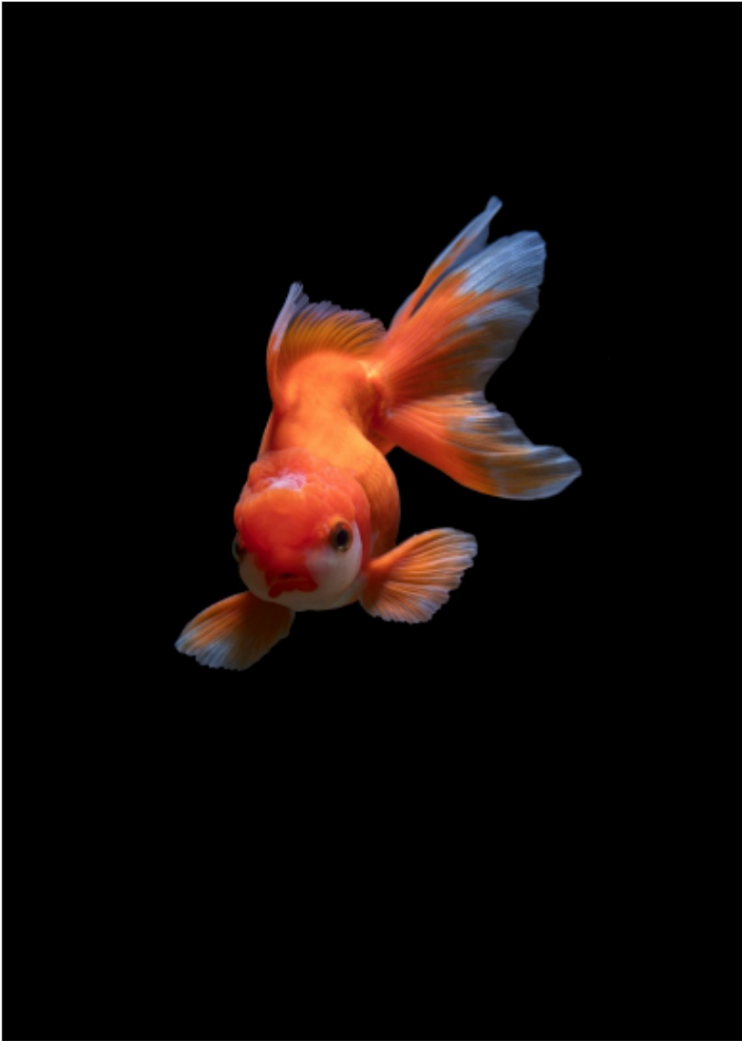

El conejo

El ratón

El pez

La serpiente

---

El gato
