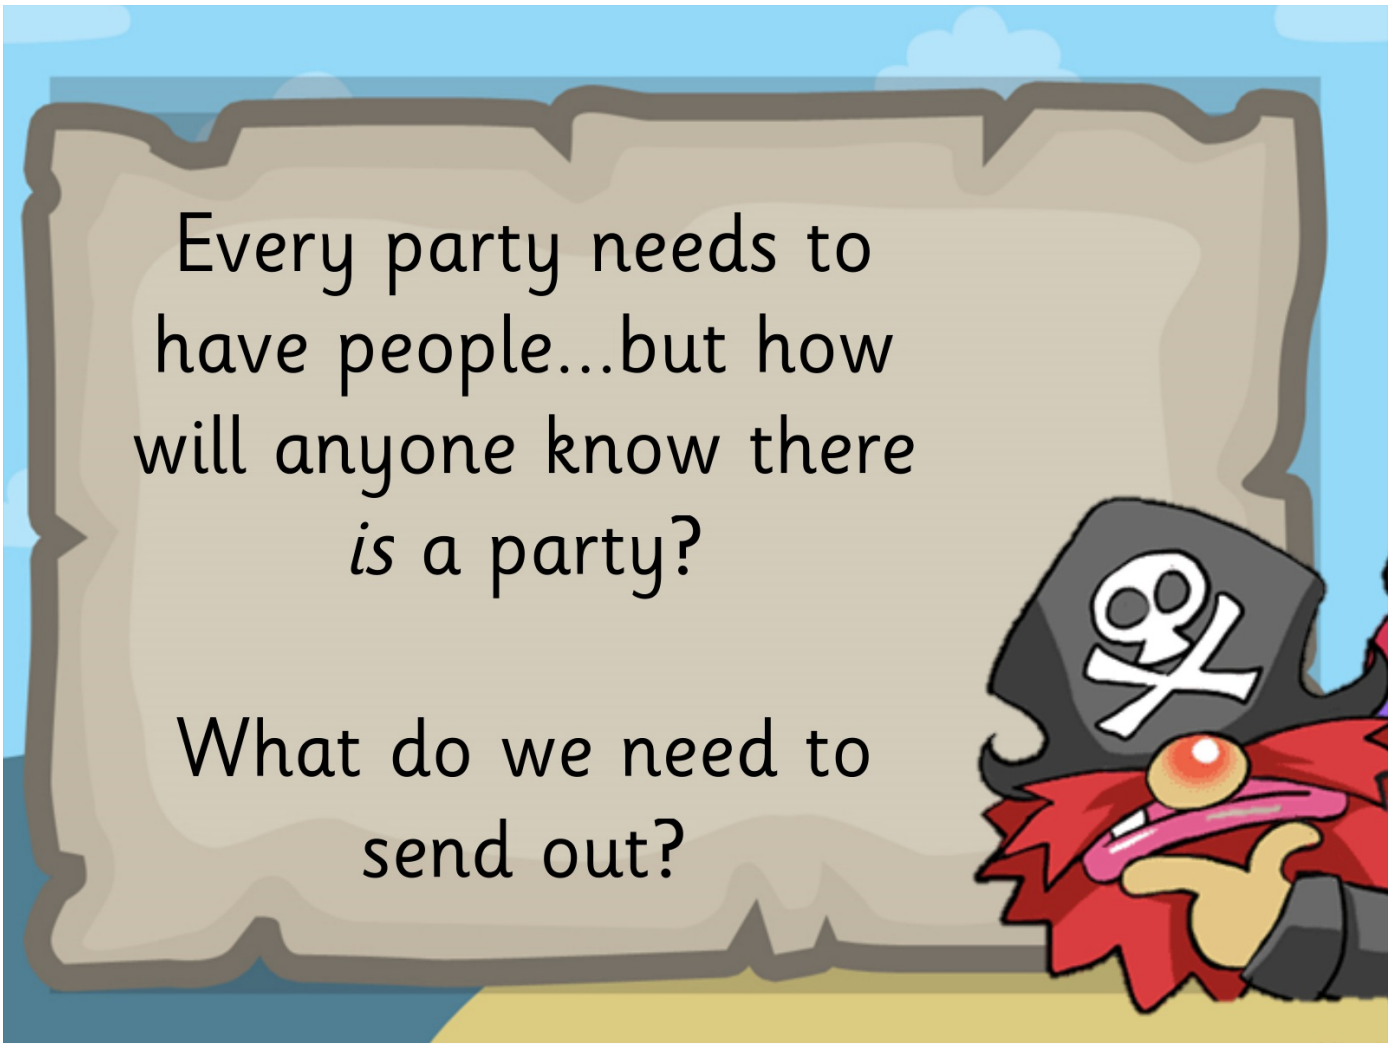
WELCOME HOME
We need to plan a welcome home party for Captain Cutlass!
Have you ever been to a party?
What was there? What did you do?

What does a party need?

Your party might need:

- Decorations
- Cake
- Napkins
- Plates
- Music
- Costumes



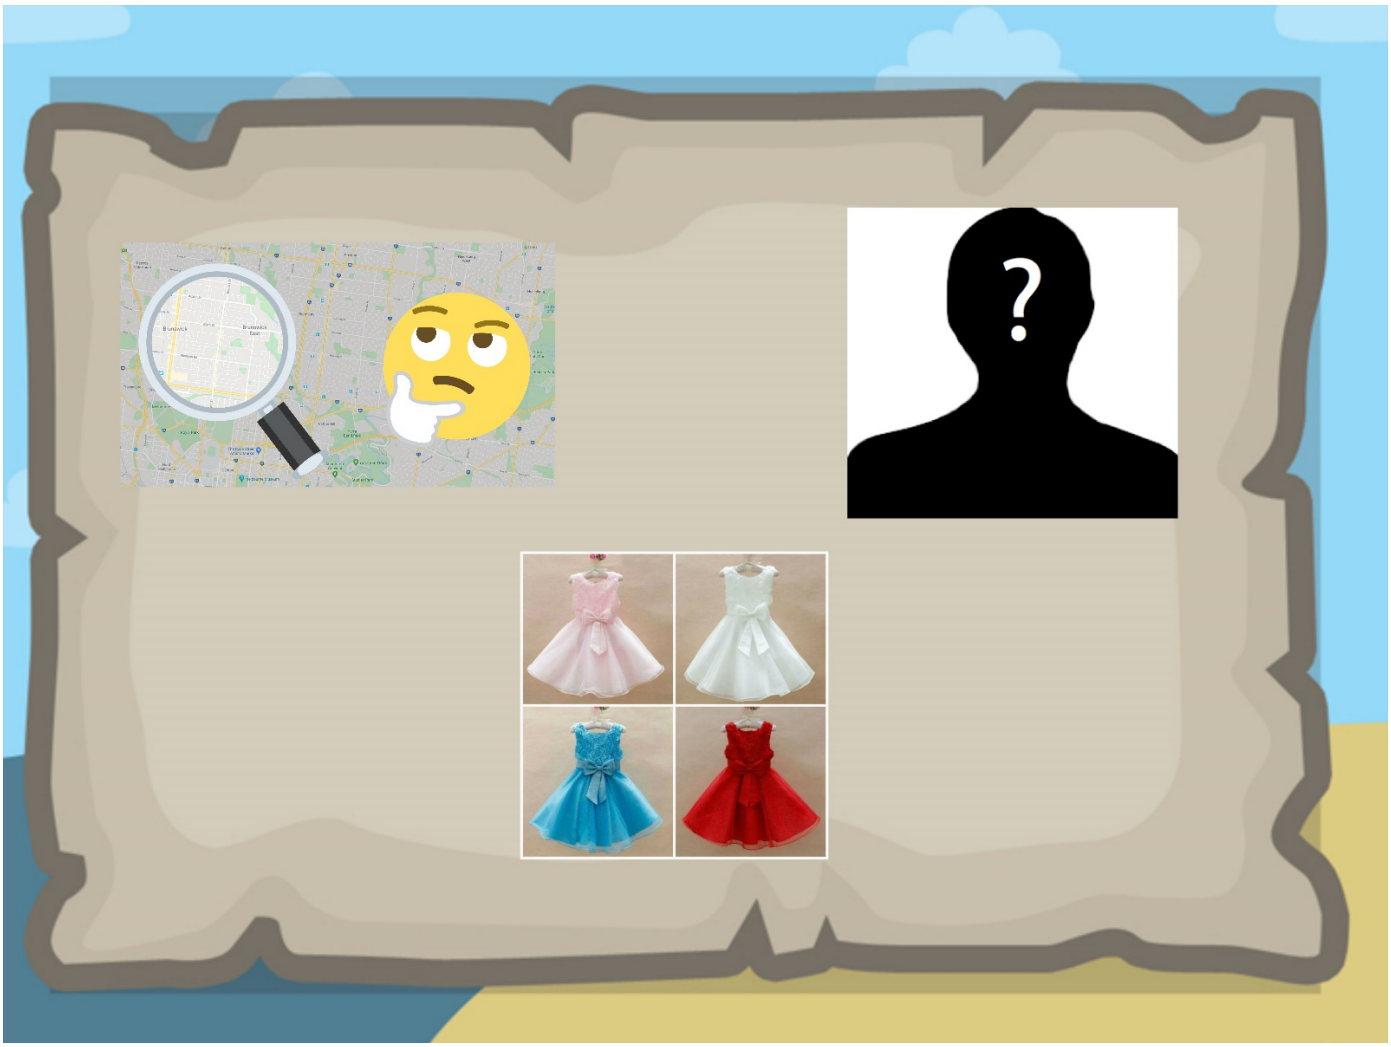
Every party needs to have people...but how will anyone know there *is* a party?
What do we need to send out?

A PARTY INVITATION!

What do we need to have on our party invitation?

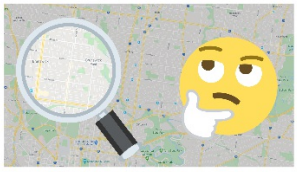
What would you need to know before you could go to a party?

Here are some clues...



party!

We would need to know...



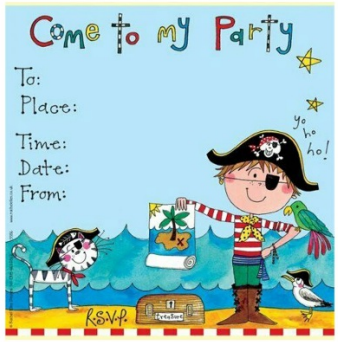
Where the party is

Who the invitation is from

What we should wear

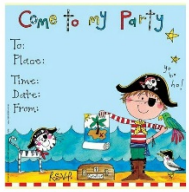
Using the ideas we discussed, write your own pirate invitation. Remember our pirate theme...

Could our party be on a pirate ship? What costumes would they need to wear?



party!

Remember:



- Make it colourful and exciting
- Fred fingers

- Capital letters and full stops
- Check your work
