

Discuss the actions and relationships of the main characters.

This is what we will be working on today. But first, who are the main characters in the story?

THE MOST MAGNIFICENT THING

ASHLEY SPIRES

The girl and
her dog!

I want us to look
at their
relationship and
find clues in the
story that show
us how they fell
about each
other.

Are they freinds, ememies, sisters? PROVE IT! Read through the story and make notes where we find something out about their relationship.

You can do this by looking back at the lessons from this week on the virtual school page.

The Most Magnificent

The dog is a bit cheeky, but does that stop it from being her best friend?

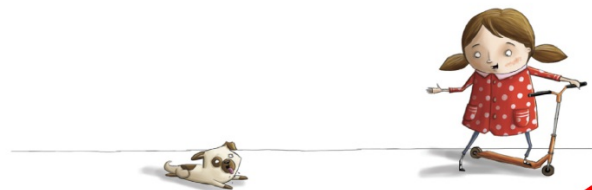

This is a regular girl and her best friend in the whole wide world. They do all kinds of things together. They race. They eat. They explore. They relax.

She makes things.

He unmakes things.

One day, the girl has a wonderful idea. She is going to make the most MAGNIFICENT thing!

Lets look at the first page. does it tell us about them?

The first page tells us what she wants to build! What does that tell us?

THE MOST MAGNIFICENT THING

Now we are going to write some of our ideas on a mindmap showing their relationship.

You are going to write a short paragraph (2-4 sentences) explaining the relationship between the two.
