

Day 2

The master **stormed** into our room to wake us up at 4.30am and **ordered** us outside to wash our face using the outside water pump. **However**, it was so cold that the water formed little icicles at the end of the pump. All of the boys were stood **huddled** together in a line, trying to stay close for warmth. I tried to look for my sister, Charlotte, as boys and girls are separated at all times. We haven't seen each other since we entered this place, but I will not give up hope.

Now it's your turn to write the second paragraph of your diary entry. You can use the vocabulary on the next slide to help you.
