

Day 3

Breakfast was water and a small piece of bread left over from last night. I can tell it was left over because it was **extremely** tough to bite. **Soon after** we were ushered into the **bustling** workroom, where I was ordered to unpick old rope and separate it into threads to be resold. The material is so tough and scratchy that my fingers are crimson and **blistered**. The pain was so **incredible** that I wanted to cry, but I didn't dare. If the Master catches somebody crying he beats them with the cane.

Now it's your turn to write the third paragraph of your diary entry. You can use the vocabulary on the next slide to help you.
