

Day 4

To think that we do this all day, every day, for 5 days a week. It isn't much, but I send what I can home to Ma to look after the baby. She needs it more than I do.

Dinner was exactly the same tonight, too. Small piles of stale crusty bread were on the table tops and bowls of cold gruel were **slammed** down before us. I **spotted** some of the boys **sneakily** stuffing pieces into their pockets to eat later. We are all so hungry.

Now it's your turn to write the fourth paragraph of your diary entry. You can use the vocabulary on the next slide to help you.
