

# GREEN FINGERS!

---

Learning Targets:

- To write instructions on how to plant radish seeds.
- To remember to use a capital letter and a full stop.

What are  
Instructions?

Learning Targets:

- To write instructions on how to plant radish seeds.
- To remember to use a capital letter and a full stop.

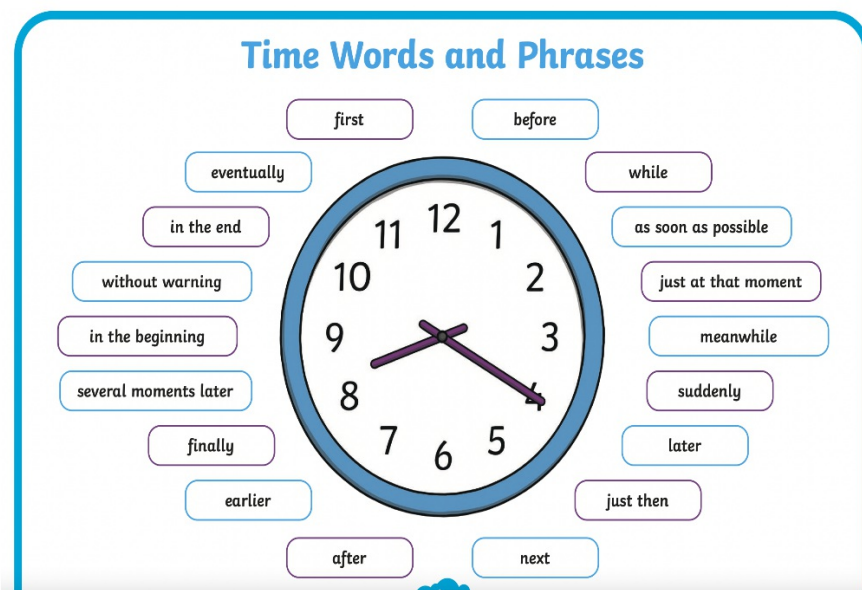

## What are Instructions?

Instructions are written or spoken in the order that they should be completed.

Written instructions are usually numbered (starting with 'one') to help the reader follow them.

When we write instructions it is useful to use time adverbials.

They tell us what order and when the steps happened.

## Equipment

**Radish seeds**

**Gloves**

**Compost soil**

**Plant pots**

**Trowel**

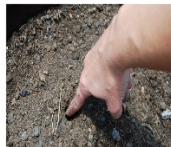

**Water**

What is Equipment?

Lets write the  
equipment we used  
in our books.

## Recap: Method

- 1) **Firstly** put on your gloves.
- 2) **Then** fill half your plant pot with the soil.
- 3) **Next** take some seeds and sprinkle across the soil.
- 4) \_\_\_\_\_ grab a handful of soil and pour it on top of the seeds.
- 5) \_\_\_\_\_ water the pot.
- 6) \_\_\_\_\_ Label your pot with your name.
- 7) **Finally** place your completed pot on the window sill for sunlight.
