half past 5

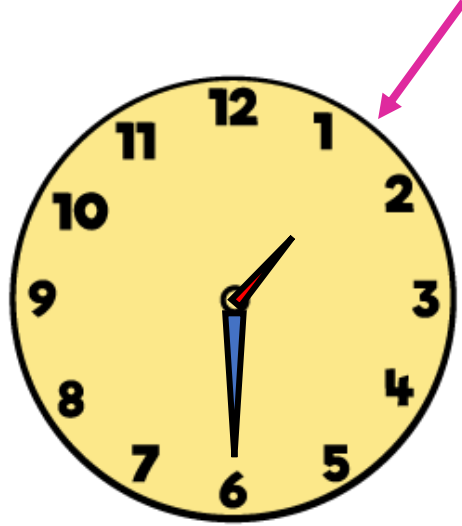

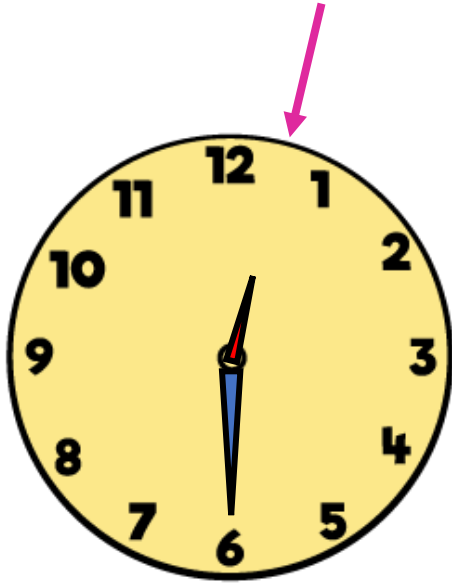

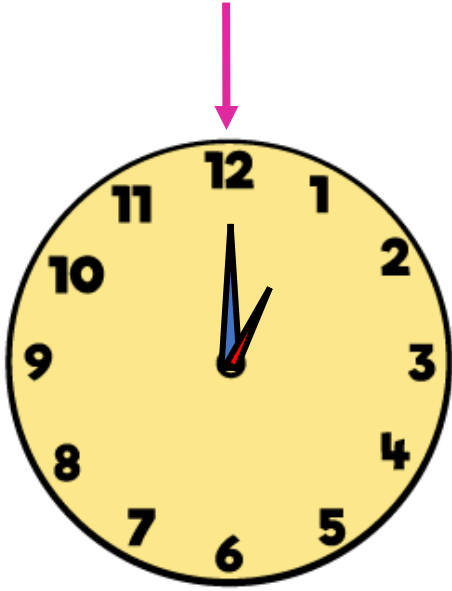

A diagram illustrating the time 5:30. It features a circular analog clock with a yellow face and black numbers from 1 to 12. The hour hand is positioned between 5 and 6, and the minute hand is pointing exactly at 6. A large, thick yellow arrow curves around the right side of the clock, starting from the top and pointing downwards towards a white rectangular box with a black border. Inside this box, the text "half past 5" is written in blue. The letters "p", "a", "s", and "t" are written in black along the curve of the yellow arrow.
