What landmarks do you remember seeing in Birmingham City Centre?

Our task today is to write a description of one of the landmarks that we have seen in Birmingham?

What writing features can we use to make it sound interesting.

adjectives

expanded noun phrases

noun phrases

New Street Station - my example

New Street Station is one of the three largest and busiest train stations in Birmingham City Centre. Additionally, the station became overwhelmed with the ever-increasing rail traffic as brilliant, busy Birmingham grew to be an important hub for industry and commerce.
