Dear pen pal,

My name is Mrs Patel. I am writing this pen pal letter to you to find out more about the capital of your country 'Delhi'. In return, I can tell you plenty about Birmingham - my home city.

Firstly, here's a little bit about me. I am a Year 4 teacher at Hillstone Primary School.

Today we are going to continue with the letter and write the main body of the letter.

**What can we include in our paragraph?**

- What is our school like?
- Where is our school?
- What do you about our school?
- Ask them a few questions about something you want to know about Delhi and their school.
